

Our organisation

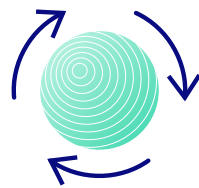

As an independent knowledge institute in the field of water and subsurface, Deltares works on our Enabling Delta Life mission

Our Mission Areas
Peter van den Berg

Future deltas

Sustainable deltas

Safe deltas

Resilient infrastructure

Subsurface and Groundwater Systems

[Gerard Blom](#)

Groundwater Management
Otto de Keizer

Subsurface and Groundwater Quality
Rob Nieuwenhuis

Applied Geology and Geophysics
Ane Wiersma

Urban Water and Subsurface
Henriëtte Otter

Marine and Coastal Systems

[Toon Segeren](#)

Ecosystems and Sediment Dynamics
Philip Visman

Applied Morphodynamics
Bob Hoogendoorn

Information, Resilience and Planning
Myra van der Meulen

Environmental Hydrodynamics and Forecasting
Sandra Gaytan Aguilar

Data Science and Water Quality
Paul Saager

Geo-engineering

[Jan Aart van Twillert](#)

Flood Defences Technology
Goaitske de Vries

Safe and Resilient Infrastructure
Remon Pot

Transportinfra and structure
Harm Aantjes

Energy and Underground Infrastructure
Ahmed Elkadi

Inland Water Systems

[Bianca Peters](#)

Freshwater Ecology and Water Quality
Renée Talens

River Dynamics and Inland Shipping
Johan Boon

Catchment and Urban Hydrology
Hans van Putten

Flood Risk Management
Judith Kaspersma

Operational Water Management and Early Warning
Wim van Balen

Water Resources and Delta Management
Harm Duel

Hydraulic Engineering

[Dirk-Jan Walstra](#)

Hydromatics and Offshore Technologies
Jan-Joost Schouten

Coastal Structures and Waves
Paul van steeg

Hydraulics for Infrastructure and Industry
Bas van Vossen

Experimental Facility Services
Wim Taal

Resilient ports and coasts
Helena van der Vegt

Deltares Software Centre

[Marijn Kuijper](#)

Operations and Planning Software (OPS)
Nadine Slootjes

Software Services Team (SST)
Joost Icke

Hydrodynamics and Morphology Software (HMS)
Maaïke Blauw

Geotechnical and Flood defences Software (GFS)
Arthur Baart

Hydrology Software (HYS)
Nadine Slootjes

Water quality and Ecology Software (WES)
Joost Icke

Support Departments

ICT

[Han van Veldhuizen](#)

Finance and Control

[Twann Verhoeven](#)

Human Resources

[Mirjam Buurmeijer](#)

Corporate Communication

[Jacqueline Vink](#)

Facility Department

[Wouter de Haan](#)

Scientific Council

[Bart van den Hurk](#)

[Bregje van Wesenbeeck](#)

Chairs

Young Science Council

[Margreet van Marle](#)

Chair

[Robert McCall](#)

Vice-Chair

Board of Directors

[Annemieke Nijhof](#)

Managing Director

[Erik Janse](#)

[Ron Thiemann](#)

Units and Departments
